

## CLASS PLAY ANNOUNCEMENT & PERMISSION FORM

We are participating in Waterway Stage, a collaboration between ECHO, Leahy Center for Lake Champlain and Very Merry Theatre. Waterway Stage combines the power of the performance arts with the joy of scientific investigation to engage students and their communities in their local watersheds. In April, our class along with six other schools from across Vermont will gather in Burlington to share original, short plays on local water quality issues.

### Final Performance Information:

When: Monday, April 10, 2017, 10:30 a.m. - 1:00 p.m.

Where: 20 Allen St, Burlington, VT 05401
