Gift Shop Manager Joins ECHO Staff

Burlington, VT--Robert Landry recently joined the staff of ECHO at the Leahy Center for Lake Champlain as gift shop/admissions desk manager. Landry previously worked as country store manager at Smugglers' Notch Resort for two years and in retail management at Champlain Oil Company for four years. He is a graduate of Milton High School and attended Johnson State College. Landry lives with his family in Fairfax.

ECHO, Burlington's new lake aquarium and science center, is committed to educate and delight visitors of all ages in the ecology, history, culture and opportunities for stewardship in the Lake Champlain Basin. It will bring more than 100,000 visitors to the Burlington Waterfront every year. Encompassing more than 30,000 square feet, ECHO will present the Basin and Lake through 12,000 gallons of live animal aquariums, 2200 animal ambassadors, surrounded by nearly 100 hands-on interactive exhibits in a setting of spectacular views of Lake Champlain.

The facility will be staffed by approximately 16 employees and 200 volunteers when it opens on May 31.

For additional information, please write to ECHO at the Leahy Center for Lake Champlain, One College Street, Burlington, Vermont 05401, call (802) 864-1848, or visit on line at www.echovermont.org.
