- Make a positive impact on the community
- A stipend of \$1000/year when weekly requirements are completed

JOIN THE

eTEAM

Position Title: E-Team Member

Join ECHO for the school year as an E-Team Member! E-Team members will work with ECHO staff, interns, and volunteers, as they continue their own personal development and growth in the Environmental Teen Leadership Program.

Report to: Education Programs Coordinator

Essential duties

- Lead engineering activities and engage with public about ECHO collections
- Provide science and environmental themed programs for low-income families and youth
- Represent ECHO with public audiences both at and away from ECHO

Experience and skills required

- Attending grades 9-12
- Strong work ethic, dependable, flexible, and punctual
- Excellent customer service skills
- Willingness and maturity to work and engage with ECHO guests and staff
- Willingness to have fun!

Time commitment

- Entire school year (September-early June)
- Hours on Saturday or Sunday
- Students will also meet weekly on Wednesdays to discuss science careers and be introduced to STEM professionals in the state of Vermont
- No more than 3 absences per semester will be acceptable
- E-Team runs whether or not school is in session! If you will be away for more than 2 weeks for family vacations or camps you should not apply for this position.
- Mandatory Orientation attendance

Compensation

\$1000 stipend for the year with the completion of both training and weekend shifts
